The Kent ISD Adult Education Program is committed to providing comprehensive support that is responsive to the educational needs of the adult learner. Our goal is to provide each student with an

academic program of excellence in a learner-centered, cohesive, and supportive environment. Participants will encounter a program of integrated services that extends beyond the classroom in providing opportunities for career readiness, professional advancement, citizenship, family literacy, and more. We provide classes in English as a Second Language, High School Equivalency, and Adult Basic Education.

Michigan Association  
of Community and  
Adult Education

For over 30 years, the Michigan Association of Adult & Community Education (MACAE), has represented the administrators, teachers and supporters of Community Education in the State of

Michigan. MACAE believes in building resilient communities around strong, adult, alternative and community education programming. We provide professional development resources, networking opportunities and legislative awareness to support practitioners. We ensure that our program participants will be taught, trained and tooled for success in the 21st century!

Public policy  
in the best interest  
of children.

Michigan's Children is the only statewide, multi-issue advocacy organization focused solely on public policy in the best interest of

children from cradle to career and their families. We have been creating opportunities for young people and caregivers to share their stories, concerns and suggestions directly with policymakers since 1996. As a non-profit 501(c)(3) organization, our forums are presented as a non-partisan activity.
